

Mid-Atlantic Construction Safety Council Safety Scholarship (Trades)

BACKGROUND

The Mid-Atlantic Construction Safety Council is a group of like-minded construction safety professionals dedicated to the protection of life and property in the construction industry. Our efforts are directed towards, but not limited to: sharing safety information for our mutual benefits, fostering safety awareness, standardizing safety practices, encouraging cooperation and open communications, providing a resource of knowledge, experience and information and assisting contractors with implementing and maintaining safe work practices.

The Mid-Atlantic Construction Safety Council Foundation is sponsoring two (2) annual **\$1,250** scholarships for trades people studying to be a safety or industrial hygiene professional. The scholarships are offered once each MACSC fiscal year (Sept. 1 – August 31) to a trades person meeting the eligibility criteria listed below.

ELIGIBILITY

1. Minimum Eligibility Criteria

Must be a trades person who will be entering into either their junior or senior year of study (or a certificate program) in one or more (or a combination) of the following degree programs:

- Occupational Safety & Environmental Health
- Safety Sciences
- Environmental Science
- Civil & Construction Engineering Tech/Public Health
- Environmental Protection & Safety Management
- Safety Management
- Public Safety Management

2. Rating Criteria

The following criteria will be considered in awarding the MACSC Safety Scholarship:

- One Page Essay
- Transcript (Unofficial transcripts will be accepted)
- Grade Point Average
- One Letter of Recommendation/ Reference
- Other Safety Related Activities or Organizations that you are involved with or are a member
- Quality of Application
- Quality of Interview with Scholarship Screening Committee

3. More Information

Your application will be reviewed and successful candidates will be chosen by the Scholarship Committee for final review and interview by the MACSC Selection Committee. You will be notified of the results and chosen candidates will be contacted and scheduled accordingly for the interview process. ***Successful applicants will be REQUIRED to interview in-person/ phone, in order to be considered for the MACSC academic scholarships.**

All trades people, enrolled in one of the degree or certificate programs identified in Section 1, are encouraged to apply. There are no “losers” in this process. Regardless of the outcome of your application, this is an excellent opportunity to introduce yourself to other members of your chosen profession – and to let them get to know you! Your fellow safety practitioners are very much interested in your success and want to help you. **All applications and documentation must be postmarked by Tuesday, August 21, 2018.**
